

Story

On December 20, 2007, Contact Ministries and our community lost a true friend and leader, Ray Wright. Ray was active in serving his community in various roles and was serving Contact Ministries, as Board President, at the time of his passing. His

tireless efforts and leadership are truly missed.

Contact Ministries, founded in 1978, is a Christian organization committed to providing assistance to those in need. The agency provides rent and utility assistance, counseling and advocacy, food, clothing, prescription, and transportation assistance, holiday assistance and seasonal assistance such as fans in summer and coats and blankets in winter. The agency also directs an extensive referral system that links clients with other human service agencies. Contact Ministries also provides an emergency shelter for women and their children.

Ray's dream was to have an annual golf outing to support the efforts of Contact Ministries. Even though this will be the fifth and final year the outing honors Ray, Contact Ministries will continue this annual event, thus fulfilling his dream. Thank you for your generous support of this outing!
